Resurfacing on 147th Street between Kilpatrick Avenue and Kedzie Avenue

CHICAGO – The Illinois Department of Transportation (IDOT) announced that daily lane closures will take place on 147th Street (Illinois 83) from Kilpatrick Avenue to Kedzie Avenue, in Midlothian, beginning, weather permitting, the week of July 17. The closures are necessary for a resurfacing project along 147th Street.

In order to complete the work, temporary, daytime lane closures will take place on 147th Street from Kilpatrick Avenue to Kedzie Avenue. Traffic will be reduced to one lane in each direction, when necessary.

The scope of the project consists of resurfacing and pavement marking, as well as curb and gutter replacement. The overall project is expected to be completed in Fall 2017.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
